LOVE WHAT YOU HEAR?

Like most orchestras, CHICO cannot rely on ticket sales alone to fund concerts. Your contributions, no matter how large or small, allow us to dedicate our time and effort to bringing live performances to the cities of Ventura and Camarillo.

At the heart of CHICO's mission lies our goal to be an indispensable partner to our community, providing enrichment through inspiring concerts, music education programs, and access for everyone.

In normal times, ticket sales and other earned income cover less than 35% of our total operating budget, leaving the remaining gap to be filled by contributions. Please consider joining our organization so we can continue to enhance our community with classical music.
